# CENTRAL FLORIDA WOMENS LEAGUE

Founded in 1988, the Central Florida Women's League (CFWL) is a group of 100+ passionate volunteers dedicated to advancing opportunities for charity, service, scholarship and culture within our local community.

## COMMITMENT TO COMMUNITY

**For 33 years, CFWL has been committed to improving the community we live in. We focus on three key areas.**

### Charitable Granting

Each year, CFWL members submit charity recommendations to our Charitable Granting Committee. Once vetted, the Committee visits the selected charities to learn more about their mission and needs. Due to the amazing synergy of CFWL and its members, we have awarded more than 100 grants totaling over \$2.5 million.

### Scholarships

Annually, CFWL awards up to 10 young women with funding to assist with college expenses. Student eligibility is determined based upon academic achievement, financial need and community involvement. We have awarded scholarships to over 200 students, for a total of \$560,000.

### Community Service

We support our community through service and compassion funding. We partner with charities that have previously received funding from us to work on service projects.
