

Member Donation Obligation

Our live and silent auctions significantly support our charitable grants and scholarships. In order to be able to continue to have desirable auction items and maximize the money we raise, we have established donation guidelines for all active and sustaining members.

The lists below are only suggested items that have been popular at our past events, so your donated items can be unique as long as they excite our attendees! **Please do not donate new or used clothing items to the auction.** Items donated should appeal to the majority of the attendees.

Active/Sustaining Member Obligation – donate an item or items that equal an original retail value of \$125. Donate either one item from the first category and immediately fulfill your obligation or donate multiple items from the second category which have a combined original retail value of \$125.
